Project Overview

Cordell & Cordell is a domestic litigation firm based in Saint Louis, Missouri, USA, that is frequently cited as the largest men's divorce law firm in the country with more than 115 offices and 200 attorneys in 30 states. RSI was selected to handle their weekend move of the local Charlotte office. The well planned move was a smooth transition for their staff and weeks later RSI was asked if we could relocate their Greenville, SC practice office.
