Project Overview

Relocation Strategies, Inc. Cincinnati was hired in the spring of 2009 to manage the dunnhumbyUSA relocation project as they outgrew their office space at 302 West Third Street in downtown Cincinnati. Their newly renovated 150,000-square-foot office building (located at 444 West Third Street) now houses dunnhumbyUSA's 330 employees with space to add 150 more employees over the next several years. The RSI Cincinnati Team provided general governance over the project schedule and various vendor services including the commercial mover(s), furniture installers and I.T. desktop support for disconnect and reconnect services.
